

March 18th, 2020

COVID-19 Update

The LGBT Asylum Project will continue working remotely with our current clients via email and postal service. We will resume regular operations once public health authorities advise that it is safe to do so. If you have an urgent concern regarding your immigration case, please email us at info@lgbtasylumproject.org and we will do our best to assist you.

Please note that the San Francisco Asylum Office is currently closed to public until April 7th. All asylum interviews that have been scheduled between now and April 7th will be cancelled and rescheduled. Applicants will receive interview cancellation notices and new interview notices in the mail within the next few weeks.

Please also note that the biometrics office is also closed. Applicants will receive new biometrics appointments in the mail for fingerprinting.

For more information on the coronavirus (COVID-19) and how it affects the LGBTQ community and how you can best take care of yourself in these uncertain and challenging times, please visit: <https://transequality.org/covid19>
